INDEX

INTERNATIONAL ORGANIZATION

Volume XXIII—1969

Prepared by Helen LaFleur

In the following index agenda items considered by major organizations are listed by topic rather than under the organ in which they are discussed. Committees and commissions of major organizations have been listed independently except in the case of the seven major committees of the General Assembly which are listed under the heading General Assembly. References to organs of smaller organizations have been listed under the organization. For statements of policy made by national representatives refer to the subheadings under the representative's country. Abbreviations in parentheses following an entry indicate the larger body of which it is an organ or to which it reports.

The pagination of Volume XXIII is as follows: Number 1, Winter 1969, pp. 1–203; Number 2, Spring 1969, pp. 205–557; Number 3, Summer 1969, pp. 559–765; Number 4, Autumn 1969, pp. 767–1021.
